

# VILLAGE OF DOYLESTOWN

## SAFETY COMMITTEE AGENDA

**Date:** March 19, 2026

**Time:** 6pm

**Location:** Police Department

### Old Business

1. **Township requests proposal from VOD-PD for servicing:** What is the number for us to service them?

### New Business

1. **BWC Grant:** Update, cameras are 3 years old and non issue, coordinated with OCJS, accepting us shifting funds to cloud hosted environment for BWC system. Consider costs of In Car Cameras change to cloud server. Note: It is possible we will have no/ nominal costs for shifting to cloud server from on prem with Talix.
2. **Giving Streets Super access to cameras:** To monitor street conditions, alternatively consider a ring camera for limited access, also help educate PD on what to look for when determining whether to call in Streets Dept. Current Streets SOP;  
**Snow storms:** we auto schedule coming in  
**Ice expected:** PD calls us  
**Snow expected:** PD calls us (streets and the weather look different even in Barberton)
3. **Informational: Streets Committee will motion at next Council meeting recommend to pass parking ban from 3-5a to 3-6a.**
4. **Researching Doughboy intersection traffic:** Public report of sightline issue looking northbound headed westbound on E Clinton. Install mirror? Will review research in meeting.
