

Economic Development Committee Meeting
October 9, 2013

Bob Haag's agenda is attached and these are the items we discussed.

An update on the web site is that the Village is in the process of gathering data for the site to be operation in mid to late January 2014.

Bob would like to talk to members of the Lions Club at a meeting about possible survey questions to be added to the web in the future.

Next meeting will be on November 19 at a time convenient for Councilman Lindeman.

Present: Bob Haag, Terry Lindeman and Kay Kerr.

Respectfully submitted

KAY L. KERR
