

Doylestown Planning Commission Meeting Sept. 12, 2013

Members Present: Brian Hessey, Jerry Lindeman, Olin Blechroff

Engineer George Emerigon, Dan Easterday, Zoning Inspector

Meeting called to order at 7:30 by Chm. Henry.

Motion to approve minutes from April 11 meeting made by Jerry Lindeman
2nd by Olin Blechroff. Motion Approved.

Old Business: Attorney Spiros Vasilatos was present to inform
commission as how to proceed on the Cecil Smith Property.

A 2005 ~~entry~~ Entry from the court told Cecil to clean up the
property or The Village would come in and do it and put the cost
on his tax duplicate. Cecil has played games with the property
clean-up. Attorney Spiros said we need to get some pictures of
property, try to reason with the property owner to comply with the
court order or we will go back to the judge and get him cited
again. Zoning Inspector and Village Engineer will go out to site
and get pictures & try to meet with Mr. Smith. If nothing is
accomplished soon, we will go back to court.

Moving Ordinance: Mayor Lindeman wants a change in the ordinance
that would give a violator 1 warning and then the violator would be
given a direct citation if violation is not taken care of. Village
is tired of cost & time of processing violators multiple times a season.
Solicitor Vasilatos will study this and try to come up with a new
ordinance.
