

Doylestown Shade Tree Committee

April 11, 2013

Brian called the meeting to order; other members present were Leon, Terry and Chris.

The minutes were read and a correction was made. The oak tree by the bandstand and the popular tree at the park are to be trimmed not removed.

Mrs. Lewis's first grade class from Sts. Peter and Paul School will participate with the Arbor Day Celebration. The planting will be at Chestnut Hill Cemetery. Andy is to order the tree and have delivered by April 24th.

Terry, Kay Kerr, and Joyce Marshall will be attending the Tree City USA Ceremony in Salem, Ohio.

Leo and Andy will work on the list for tree trimming and removal. The committee will review the list at the June meeting and letters will go out for bids.

Tree maintenance will be a focal point this year for the younger trees.

Brian will check with Kay Kerr regarding a program for tree inventory/maintenance she discussed with a man at Tree City USA last year.

Chris asked for a letter to be sent to the home across from Circle Dr. (393 Church Street?) regarding a branch from their magnolia tree that overhangs onto the sidewalk.

The meeting was adjourned at 8:57. CM
