

DOYLESTOWN SHADE TREE COMMITTEE JULY 17, 2013

Brian called the meeting to order at 7:25, other members present were Andy, Leon, Terry and Chris.

Minutes were read - Andy made the motion to accept the minutes, Terry second the motion – motion carried.

Dick First inquired again about trees by his home. He will be notified that our arborist will determine the best trees for the area. The committee agreed that they would wait until Sept. before planting due to the lack of rain this time of the year.

162 Wood Haven has two dead Ash trees that will need pulled out. Due to the trouble keeping trees alive in this area the committee will dig down deep in this area and have the soil analyzed to see what is causing the problems. A tree at 60 Northwood has signs of the ash bore.

After reviewing the list of trees Andy made the motion for the removal of eight trees and the trimming of five. Terry second - the motion carried. Kristen will send out letters to contractors asking for their bids for review. Orange X will be for removal and a green dot for trimming. The street crew will be asked to remove a lilac on Black Drive.

Next meeting will be determined at a later time. Meeting adjourned. CM
