

PPF meeting September 12, 2024

Called to order at 6:30pm

Present: Dale Youngblood, Terry Lindeman, Mark Hammer, Tim Smith,

Bids for Gazebo cleaning and repair are in:

- Work to be completed at the Bramble wood condos to be \$2,615.00
- Work to be completed at the corner of Church and Portage to be \$1,735.00 for two coats of exterior satin paint to be \$1,910.

Motion to fix church and Portage for \$1,735 and tell the association on Bramble wood that we are not going to fix it. If they do not, we will take it down.

Talked about potential candidates to interview for the open Village Administrator position.

We have 178 contractors registered to work in then village. All who are proven to be working in the village will be given one week to register. If they do not they will be given a second notice. If they do not comply withing one week of the day we mail the letter they will be shut down if they are caught working again they will be shut down

We are still working on bids for the garage door on the new building as the bids we have are too high.

We are planning to survey the current sewage plant as soon as the corn is down next door.

Meeting adjourned 7:56
