Mr. Charles Helmick was here asking if we had any ordinances on heavy concentrations of animals abutting the Village. He stated the property beside the sewer plant sold, which is in the township, and the new owner intends to raise hogs. He spoke to the township zoning inspector who stated there were no ordinances regarding restrictions for this. Chuck is concerned that there will be a strong odor that may affect the village residents near the property. The Mayor and Solicitor both stated that because this is not inside the village limits, there is nothing we can enforce at this time. Mayor thanked him for letting us know. Mayor asked the other visitors if they had anything for Council, and they declined.
