

PPF meeting August 14, 2025

Meeting called to order at 6:35

Harold Rozak, Terry Lindeman, Mark Hammer, Dale Youngblood, Christina Mambourgh

Discussed the mandatory call in rate in regards to pay. Ohio law states that there is no minimum in regards to hours to be paid outside of regular business. As it stands now all employees that come in after hours receive two hours regardless of time spent working. It was decided as a courtesy to our employees to keep the practice but as of now all employees that come in must clock in and out. This will give us an indication that the work completed was actually completed.

Meeting adjourned at 6:50
