--	--	--

Action items:	Person responsible:	Deadline:

Action items:		Deadline:

Kristen shared with the group information about Share Ohio where communities can share equipment.		
Action items:	Person responsible:	Deadline:
None		

Other Topics

1. Can Township sell Township Anniversary merchandise at the concerts this summer? Tony will inform the Trustee's they can sell merchandise and they need to get with the Mayor to learn the locations they can set up their sale booth.

2. Per the ORC the Village Fiscal Officer must live inside the Village of Doylestown unless council approves otherwise. Tony made the motion to recommend to council that Kristen Robison be approved to live outside the Village limits. All ayes.
3. For information the Village Fiscal Officer only has legal authority to transfer money in the budget from line items within budget sections approved by council. When the council passes the budget if the council wants to give Kristen more authority on transfers the budget will need to be passed by all line items not by sections.
