

Village of Doylestown Planning Commission
Meeting, September 8, 2016

Meeting began at 7 p.m.

Guests present: Bob Haag, Earl Kerr, Casey Tester, Doug Zook, Chad Marti, Mark Hammer, Tony Lindeman, Joanne Porr, Greg Chaplin.

Members present: Mayor Terry Lindeman, George Smerigan, Daniel Easterling, Mitchell Smith, Dr. David Watkins, Olin Bleichrodt and Kay Kerr.

Much discussion ensued about the Grades 7 to 12 school building to be built on South Portage Street. Terry Lindeman moved and David Watkins seconded a motion the Planning Commission allow conditional approval of site preparation to include building pad preparation, and minimal water line and storm line utility preparation. This conditional approval requires the concurrence of Ronnie Portz and Engineering Associates of storm water management. Motion passed.

Nexus pipeline: George Smerigan attended the hearing conducted by FERC in regard to the pipeline and asked that the line be moved to avoid Mr Shondel's property.

Site plan/drainage and property maintenance were discussed without action being taken.

Dan Easterling's reports will be attached to the record copy of the minutes.

Respectfully submitted,

KAY L. KERR
