

Village of Doylestown Planning Commission
Meeting, March 9, 2017

Meeting began at 7:00 p.m. Members present: Mayor Terry Lindeman, Mitchell Smith, David Watkins, Tom Haller, Jodie Ivy, George Smerigan and Mark Hammer. Guests present: Kay Kerr and Chief C Tester.

David Watkins moved and Mitchell Smith seconded a motion to approve the January 12, 2017, minutes as presented. Motion passed. David Watkins moved and Mitchell Smith seconded a motion to approve the January 30, 2017, public hearing minutes as presented. Motion passed. David Watkins moved and Mitchell Smith seconded a motion to approve the January 30, 2017, meeting minutes as presented. Motion passed.

School: Council requests the school system install the sidewalk and enclose the ditch from property line to property line. School system plans to reply to council's request at a future meeting. It was discussed that we need to make sure the contractors are registered with the village. Mark asked Jamie to work with the township and county to make sure the contractor keeps the road free of debries (dirt).

Nexus pipeline: Village representatives met with Nexus representatives on 2/27/17. Their engineers are asking for permits to be issued by the Village. George Smerigan has asked Nexus engineers and reps to give the Village all of the information required for the permits. George further suggests we not issue permits till the bond and RUMBA have been agreed upon.

Jamie's report is attached for review.

Review of 1143.08: George will review and update.

Drainage: Jamie and George will schedule the dye test when weather breaks.

Zoning: To be discussed in the future.

Ed Shondel has asked what he needs to do next to get his phase 2 started at Silver Creek. George will review history to determine the next step.

Meeting ended at 8:15 p.m. The next meeting is scheduled for April 13, 2017, at 7:00 p.m.

Respectfully submitted,

MARK HAMMER
