

Economic Development Committee

Meeting, May 10, 2018

Present: Mark Hammer, Mayor Lindeman and Kay Kerr. Guest: Earl Kerr. Meeting started at 6:30 p.m. at Village Hall.

Kay moved and Terry seconded a motion to change the word "ament" to "amend for the March 15, 2018, minutes and approve the minutes. Motion passed.

The Historic District, property maintenance code and downtown redevelopment documents have been forwarded to planning for review.

The CRA change data has been forwarded to the state.

Earl Kerr reported a manufacturer looking for land in Doylestown for a plant has found a current building to move to for consolidation of their operations. Our site is not a possibility for them.

Earl learned at the Team NEO meeting that they are finding our available work force numbers are very low.

Kay reported from the AMATS meeting today the projections for population growth from 2040 to 2045 show our area may gain 1.7 percent.

Meeting ended at 6:55 p.m.

Respectfully submitted

  
KAY L. KERR
