

LEAF PICK UP GUIDELINES

1. All leaves should be at the curb by 8:00 am on the first date listed for each dedicated area.
2. The crew will only go through every neighborhood once per specified pick-up date.
3. Please rake leaves to the road edge but not in the street. Keep leaves in a row along street edge no wider than 5-6 ft. Piles may run the entire length of your property.
4. Please keep leaves 3-4 ft away from obstructions & not behind (poles, mailboxes, street signs, trees)
5. Please do not place other debris in leaf pile (brush, sticks, garden waste, ornamental grasses). These tend to clog the machine, piles containing debris will not be collected.
6. Please advise your lawn company of your pick-up dates and of the rules and regulations of leaf collection to avoid any issues.
7. Crews will do their best to keep to the schedule. Following guidelines will greatly help us with our schedule.

PLEASE NOTE THAT ALLEYS ARE NOT LISTED AS THE LEAF PILES MUST BE PLACED ON THE MAIN STREET ADJACENT TO THE PROPERTY.
